SENIOR HIGH BUILDING

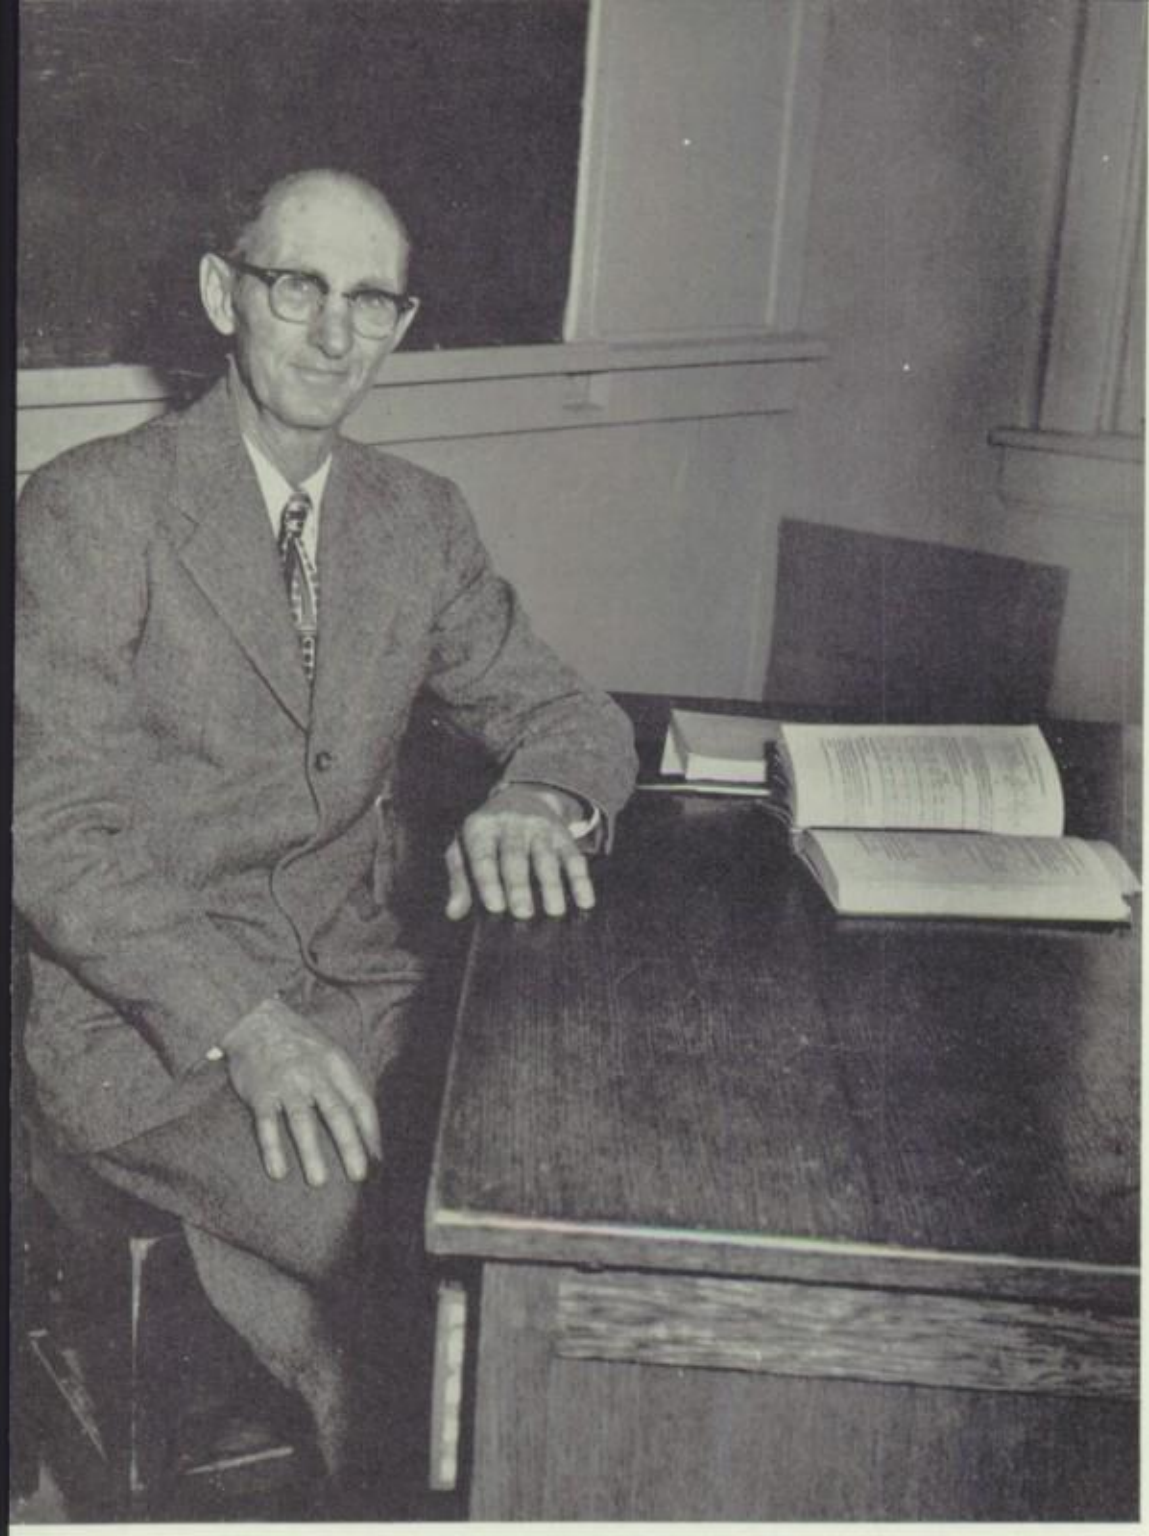
Our Launching Pads

FOREWORD

Through this annual we have tried to forge a chain whose links are molded from the memories of this school year. Our school year is filled with many things; joys, sorrows, anxieties, anticipations, and rewards. To some, school is an insurmountable mountain which they have failed to scale because of circumstances. To the average student, school is the cornerstone for the laying and building of his future life. Still others consider school a challenging summit in their life and strive relentlessly to reach the top through diligent study and higher education.

We hope that as you pass through this annual that you will use this chain to firmly anchor your memories of this year.

JUNIOR HIGH BUILDING



MR. DALE HILLARD

Special Recognition

A personality that has long graced the halls of N.C. High will be missing next year. Mr. Hillard, sometimes referred to by students as "Fuzzy," has retired from his life-long profession---teaching. Even though nicknames for teachers are not appropo, this name was not disrespectful; for Mr. Hillard was respected and loved by nearly all students for his ability, humor, and understanding.

Mr. Hillard commenced teaching in the one-room country school at North Bridgewater in 1920; the next year was at the Basswood country school; next 4 years at Pioneer Junior High. He completed work for his bachelors degree by taking work at the University of Chicago and Bowling Green; receiving his degree from B. G. in 1927. The remaining years were spent at Burnham High in Sylvania, Ohio (14 years), Hillsdale High in Hillsdale, Michigan (1 year), and Pioneer High and North Central High (20 years). While teaching in Sylvania, he completed one year of graduate training at the University of Toledo.

Mr. Hillard's field of teaching was Industrial Arts, Math, Agriculture, and Coaching. He coached several championship clubs in Sylvania; junior high and 1946 high school champs at Pioneer High School.

One of his activities that he is especially proud of occurred while he was athletic director at Sylvania. Through his guidance and efforts, $5,000 was raised in one year for flood lights for night football. This is certainly only one of the many experience that Mr. Hillard could recall after forty one years of teaching.

Mr. Hillard and his wife Evelyn (first grade teacher at Pioneer building) live on a farm west of Pioneer.

Ann Kintner has compiled an outstanding record during her four years at N.C. High. A few of her honors are: second in county Senior Scholarship test; letter of commendation on National Merit Scholarship test; Quiz Book county winner (received a 5 day trip to Washington D.C.); first in county science fair; sixth in chemistry at the Archbold science fair; winner of D.A.R. Good Citizen Award; Prince of Peace speech winner in school as a Junior; placed in state as a Fr. Soph. and Jr. in scholarship tests in English; winner of "Best All-Around Senior Girl."

Carol Oxender again received the "outstanding scholar" award. This makes the third successive year that Carol has received this honor. Her lowest grade in three years of study is an A-.

This year Carol submitted an essay in the Prince of Peace contest and placed first in county and second in the state of Ohio. She received a 2 year scholarship and a 4-day trip to New York City.

David Stocking and Joyce Kintner were two of the elementary students who entered the school science fair. Their project on bullfrogs received a superior rating.

Another entry in the school science fair was this one by Carol Rupp. It was a study of the ear and was also given a superior rating.

SCHOOL LEADERSHIP

The improvement of education can only come about through the combined efforts of the board of education, executive head, teachers, and parents. Our board of education is striving to provide competent teachers, adequate facilities, and necessary materials to meet the needs of our changing world. The results of their efforts cannot be adequately measured at present but the future will tell the story. There was one change in our board during this school year. Mrs. Burl Dury replaced Mr. Critchfield as he decided not to enter the fall election.

Mr. Brownson, executive head of our school system for the past three years, is working to improve our school system through efficient administration and direct personal contact with the students and their activities. He lives with his wife Myrtle and daughters Brenda and Cindy in rural Pioneer. He received his bachelors degree from Ashland College and his masters degree from Ohio State University.

CONDITIONS "GO"

A smooth running school program necessitates adequate communications between administration, teachers, and student. This can be accomplished through bulletins, assemblies, and personal contact with students and student organizations. This is only one of the jobs performed by Mr. Hendricks in the few periods a week that he has available.

He teaches chemistry, physics, general science, advanced mathematics, sponsors science club, sponsors student council, a member of national honor society board, and is athletic director. He resides on a farm near Pioneer with his wife Elouise and three sons. Charles, his oldest son, is now a student at Manchester College.

In order to successfully complete high school requirements, a student must have a firm background in the fundamentals. A strong junior high program is of utmost importance if these students are to attain the high standards that today's society demands. This is the responsibility of Mr. Gilcher and his staff. Mr. Gilcher teaches arithmetic and resides on a farm south of Kunkle with his wife and six children.

MRS. NEARING

In order to communicate properly, there must be an understanding of basic English. If you wish to develop further, you may wish to study Latin or French.

Mrs. Gerard teaches junior and senior English. Mrs. Nearing teaches freshman English, Latin I & II, French I & II, and is freshman co-advisor. Mrs. Evers teaches sophomore English, Journalism, directs both junior and senior class plays, advisor to school paper and library club, and is the school librarian.

Mrs. Gerard and Mrs. Nearing are on the National Honor Society advisory board.

MRS. EVERS

Below are pictures: first, of a project from Mrs. Nearing's Latin II class which was completed by Sharon Franz; secondly, a scene from the senior class play which was directed by Mrs. Evers.

MR. GERIG

Mr. Gerig teaches senior social studies, one class in American history, world history and is guidance director.

The picture at the left was a scene from world history class in which Rick and Dennis are comparing a map Dennis made with the printed map. Mr. Gerig was also F.T.A. advisor.

Mr. Stocking teaches high school band, junior high band, intermediate band, high school chorus, and all the elementary vocal music in the Pioneer building. He is also freshman class co-advisor.

The high school chorus carried on an extensive program which consisted of singing at nearly all the churches in the community, participating in a Christmas program and a combined school program near the end of school, and presenting many numbers at school assemblies.

The high school band competed at Bowling Green in contest besides participating in many other activities.

The picture at the right shows three members of the junior high band trying on band uniforms. These members are: Marian Zedaker, Becky Dury, and one of the Martin twins.

MR. GALLUTIA

MRS. SCHAFFNER

Mr. Gallutia teaches shorthand I & II, business law, general business, bookkeeping, business arithmetic, and office practice. He is assistant basketball coach, senior class advisor, and advisor of the annual.

Mrs. Shaffner teaches typing I, personal typing, one class of American history, business English, and girls physical education. She is advisor to the sophomore class and G.A.A.

"Is this spelled right?" asks Dan White of Bob Taylor.

Mr. Melhorn teaches vocational agriculture and is junior class advisor. Mrs. Bowen teaches vocational home economics and is senior class advisor.

Of the many activities entered into by the Ag. and Home Ec. departments, the picking of F.F.A. Queen is one of the most important. The F.F.A. chapter queen is elected by the F.F.A. boys from the F.H.A. In the picture shown above, John Dietrich and Kendall Traxler are presenting Madalyn McCrea with her F.F.A. jacket. Madalyn was queen during the 1960-61 school year.

The AQUILA staff has been hard at work for the past twelve months trying to improve the yearbook.

It is our greatest desire that you enjoy this book at the present time and in the years ahead.

We wish to thank everyone who has in any way helped the staff with this publication.

The N.C. Highlites main staff was chosen from the journalism class this year.

Because of the small class, the staff was opened to all high school students interested in paper work.

N.C. Highlites is published once a month at a cost of 10¢ per copy or 35¢ a semester. It averages fourteen pages a copy.

The purpose of the school paper is to inform the students of the activities that are going on; articles of interest; important dates and the happenings about school.

The Prince of Peace Contest, sponsored by the Ohio Council of Churches, consists of two parts. A student may enter either the essay contest, or give an oral memorized speech.

If a student choses to enter the speech contest, he is required to memorize a prepared speech. This year's winners in the school competition were Betty Hadley and Jeff Thompson. They then were entitled to enter county wide competition. In this, Betty placed second.

In the essay contest, a student writes a theme using peace as his topic. He may use any approach that he likes. The winner in county competition was Carol Oxender. She went on to place second in the state.

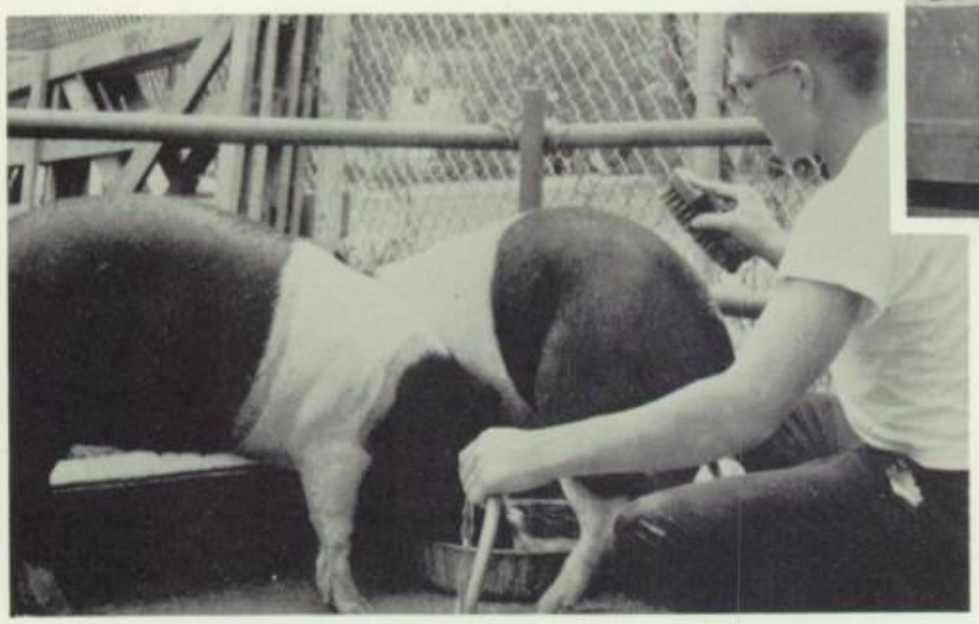
In the picture shown at the right are Bob Edinger and Norman Coler shoveling corn at the Vo-Ag. Farm. Many hours were spent at this farm plowing, fitting ground, planting and harvesting crops. Through this work, there is provided on-the-job training and a fine educational program.



At left is Jim Waterston watering and brushing two of his show pigs. Jim has been in Vo-Ag for two years and plans to go into farming upon graduation.

The North Central Chapter of Future Teachers of America has become an active organization in the school.

This chapter is open to high school students interested in teaching. The main goal of the F.T.A. is to give its members an idea of what the teaching profession entails. Members are often called upon to substitute teach, monitor tests and grade papers. This gives the person an idea of the actual classroom procedures.

In the 1962 school year, the F.T.A. chapter was officially presented to the chapter. Another major accomplishment was the setting up of a merit system which gives each person a goal to strive for during his membership. Many activities are carried out through the year.

FUTURE TEACHERS OF AMERICA

(JUNIOR PLAY)

"Tune In On Terror" by Jay Topias is a fascinating combination of comedy, mystery, and romance. The plot revolves around the Arkwright twins, who must stay in a haunted hospital until midnight; and Jikki Jerrold, who has chosen the same scene for her wedding with Bart while she leaves Dilingham Fuddy at the altar.

As these two plots revolve, it appears the hospital is haunted by a were-wildcat girl, a snakeboy and a mad scientist with a craving for operating.

As the third act opens, the ghosts become a gang of feared robbers, who leave no witnesses behind. Everything is finally solved as the mad scientist reveals his identity.

The Library Club is an organization that helps to keep records and give assistance to students as to location of different articles and books.

In order to be a school librarian, you must be a member of the club. The club meets every other week on Thursday after school.

This year the club has done many things for the school and the library. Among them were: the ordering of many new books; sponsoring an All-School Carnival and a skating party; cleaning the library; completing a magazine file for the past five years.

We feel that this has been a very successful year.

Senior Band Sets a Peppy Pace at Basketball Games

BAND HIGHLIGHTS

This seemed to be a very full year of activities for the Senior High Band. Soon after school started they participated with the other bands of the county at the Williams County Fair. They were invited to march at the homecoming festivities at Defiance College for their homecoming football game. The band played at nearly all home games during the basketball season and marched at the North Central homecoming game with Edgerton. The picture at the right was taken at this game.

Many weeks were spent practicing for the band contest that was held at Bowling Green. The band showed improvement over last year. Several members participated in the all-county music festival which was held at Edon High School.

At the end of the school, the band presented a concert which was held in the gymnasium.

On Decoration Day, the senior band along with the junior high band marched and participated in the Memorial Day celebration.

Many fine things are expected from our band, because we are a young band with only three senior members.

In the foreground is Carol Martin who received an AII (Excellent) rating and in the background is Joy Hess who received an AI (Superior) rating for piano solos at the district music contest held at Bowling Green on March 10. Carol and Joy were not in the same class as to difficulty of composition as Carol's composition was more advanced than Joy's. We are very proud of both of you.

Doyle Rodenbeck received AII (Excellent) rating for his French horn solo at the district music contest held at Bowling Green.

Mr. Ross Cox crowning the queen, Ruth Leslie.

The first homecoming in the history of the North Central school was held Friday night, December 1, during the intermission between the reserve and varsity games against Edgerton. The freshman attendant was Connie Beck, escorted by Raymond Rupp; junior attendant was Shirley Oxender escorted by Jeff Thompson; senior attendant was Suzy Oyer, escorted by Marvin Hane. Queen Ruth was escorted by Dennis Whetro.

One of the highlights of the evening was the introduction of the 1927 and 1928 Kunkle basketball teams that participated in the state tournament. Members of the team present at the game were: Ross Cox; Phil Weidner; King Figgins; Seland Stoops; Walter Suters, and Coach, Ralph Geesey.

Chefs Rodgers, Gallutia, and Derbyshire serve tea and toast to the varsity before the tournament games. Clockwise they are Stuart Hinkle, Rick Repp, Lowell Radamacher, Duane Wyrick, Frank Lantz, and Bob Taylor.

Dennis Whetro proved to be a big help to the Cheerleaders this year with the pep sessions. Thanks to the new Cheerleader.

But Sputter During Second Half

As John Dietrich comes charging through the "Victory Door," the crowd cheers him on to victory.

Kendall Traxler dunks one in during a practice session.

Watch where the seeds go and pick up the peelings.

Richard McCrea and Mr. Rodgers do dishes as the boys rest for tournament game.

Although They Never Lost That Fighting Spirit

Coach Rodgers does "a little patchwork" on Lowell Radamacher as Lowell moans over the fact that he had to go out of the game.

Bench Comment: "If I had been in the game, things would have been different."

KNEELING: Bob Sunkten, Manager; Arlon Schroeder, Chuck Brooks, Larry Chamberlain, Frank Lantz, Mr. Gallutia, Coach. STANDING: Chuck Rummel, Dennis Wyman, Kenny Esterline, Charlie White, Jim Moon, Gary Hambleton, Loren Bavin.

In Memory
Of

Arthur Rahmer who passed away
Feb. 28, 1962

Arthur, a senior this year, was very active in Vocational Agriculture and the Future Farmers of America. He held an office in the F.F.A. He was also a member of the high school chorus. He is sincerely missed by his classmates and school friends.

The picture above shows Rev. Brennaman and Rev. Davis receiving programs for the church services commemorating FFA week from Arthur. These programs were used by the churches of the community.

At left is a picture of the FFA officers including Arthur.

Our final year has been filled with many activities, opportunities, pleasureful moments, and feelings of sorrow. The loss of Arthur and its shocking effect will be remembered throughout our lives. Our activities must certainly include the magazine drive, trip to Brockleys in Adrian, ordering senior pictures, Christmas dance, senior play, party at Kintner's cottage, senior trip, and graduation.

We had the opportunity to learn and develop so that we could become self-sufficient and mature citizens. Many of us feel the urge for more education and so---in the fall---it will be more readin-ritin-and-rithmetic.

Even though many of us could hardly wait for graduation day, the memories of our last year shall always remain dear and close to our hearts. We will always remember old N.C.H.S.

SENIOR CLASS OFFICERS: Mary Sue Lougheed, Secretary; Janet Rickard, President; Nancy Franz, Vice President; Neva Whitney, Reporter; Bob Taylor, Treasurer.

Janet Led Us Through A Successful Final Year
